

MUST-READ INFORMATION ABOUT YOUR VISIT TO AIRKIX

▶ When to arrive

If you haven't already done so you will need to arrange a flight date and time at Airkix Milton Keynes or Manchester – online pre-booking is essential. It is solely your responsibility to arrive on time and at the correct venue. As we operate a tight flight timetable late arrivals will almost certainly miss their flights. PLEASE arrive in plenty of time, relax, maybe have a coffee and enjoy a stress free flight experience.

Just like catching a plane you **MUST** arrive and 'check-in' **BEFORE** your actual flight time. You should report to the front desk of your chosen venue **AT LEAST 1 HOUR BEFORE YOUR FLIGHT TIME**. So, if you choose to fly at 1600hrs you **MUST** arrive by 1500hrs.

Again, please do not be late as we hate to see people miss their flights and we are unable to offer refunds.

▶ What to bring with you on the day

Firstly, we ask that every flyer completes a 'statement of risk', available at sor.airkix.com, before arrival. It is particularly important that you take note of the information regarding previously dislocated shoulders. Once completed, you'll be given a multi-digit code that you should bring with you on the day.

It is imperative that you bring this document with you (*the one you're reading*) and, if your flight experience was originally purchased through one of our Gift Experience partners or a Gift Voucher company (*and not directly through Airkix*), you should also bring the original gift voucher that was issued to you. Without these, you'll be unable to fly.

It is also vital that you arrive at Airkix **comfortably dressed** (*avoid collars*) and that you bring a pair of well fitting **lace-up trainers**. We find that jeans, t-shirt and a pair of skate/running shoes are ideal. If you don't have a pair of lace-up trainers, don't worry, we do have appropriate footwear for hire.

If you have long hair we recommend bringing something to tie it up and maybe a brush.

Whilst we do have basic lockers on site, we suggest leaving valuable items at home for real peace of mind. Our lockers accept a £1 coin and you should be prepared to remove ALL loose items and ALL items of jewellery before flying.

NOTE: The above information is critical. You will fly in extreme wind speeds so it is important that no object can come free. It might make a mess of our motors but it's far worse on your keys or favourite necklace!
