## Employment with Airkix:

NB. Instructor positions; There is significant cost in training a new instructor which is why we will only agree to do so on a minimum two year contract.

We do however offer the option where you can self-fund some of the costs towards your training and we will then consider hiring on a freelance basis. Training includes about 15-20 hours of tunnel time over a 3-4 week period.

### **Instructors - fitness requirements:**

Instructor applicants will be required to complete the following dead lift test and a stretch and strength test.

- The dead lift test is done by lifting a 75lbs weighted bag and placing it on to a table at least 36 inches tall.
- The stretch & strength test consists of a 45 second jog-in-place, 20 push-ups, 50 sit-ups, 6 Pull Ups and toe touch with straight legs.

Jog-in-Place is defined by bringing your knees to your waist. Push Ups start with your chest on the floor and end with straight body and arms. Sit Ups require you to touch your elbows to your knees, with or without your feet being held in place. Pull Ups start with straight arms and end with touching the back of your neck to the bar or your chin to the top of bar. **WE URGE YOU TO DO THIS TEST NOW.** If you fail the test, you will not continue with instructor training.

Instructor applicants only - Are you able to pass the test?: Yes / No

### **Working time opt-out:**

All applicants - In the event that your application is successful, the agreement below may be required. Would you agree to sign it?: Yes / No
